About Us

BIMLABS GLOBAL – DRIVEN BY PASSION, FUELED BY SUSTAINABILITY

- ◆ Empowering Global Innovation: Driven by passion, fueled by sustainability.
- ◆ The trusted partner in BIM Engineering Services, where cutting-edge solutions meet a commitment to environmental responsibility for a sustainable future.
- ◆ “Driven by passion, fueled by sustainability” implies a commitment to pursuing goals with enthusiasm and energy while ensuring that these efforts are sustainable, environmentally conscious, and socially responsible.
- ◆ It suggests a **holistic approach** where passion propels actions, and sustainability principles guide the way forward, emphasizing a long-term, responsible, and balanced perspective in endeavors.

Organization

- ◆ Integrity
- ◆ Accountability
- ◆ Continual Learning
- ◆ Synergy
- ◆ Servant Leadership

About Us

BIMLABS GLOBAL – DRIVEN BY PASSION, FUELED BY SUSTAINABILITY

Vision

- ◆ BIMLABS Global is dedicated to empowering the next generation of AECO enthusiasts and organizations, cultivating a commitment to constructing a sustainable, energy-efficient world.
- ◆ Through the strategic application of digital construction methods, our objective is to redefine the landscape of the AECO industry.

Mission

- ◆ BIMLABS Global strives to collaborate with leading technology vendors in the AECO sector to deliver structures and facilities that help people and businesses thrive.
- ◆ Through the strategic application of digital construction methods, our objective is to redefine the landscape of the AECO industry.

Quality Policy

- ◆ BIMLABS Global is committed to embracing cutting-edge technologies and aligning them with their respective applications through the high-quality delivery of our diverse service lines.
- ◆ Our dedication is to provide services through realistic planning, mutually convenient procedures, precise execution, timely evaluation, and corrective actions.
- ◆ This commitment is aimed at achieving the best customer experience and a favorable return on investment.

BIMLABS GLOBAL ECOSYSTEM

Industry Partnerships: Collaborations with leading technology vendors and industry associations, including:

- Autodesk
- Bentley Systems
- Trimble
- Indian Green Building Council (IGBC)
- Indian Society of Heating, Refrigerating and Air Conditioning Engineers (ISHRAE)
- India BIM Association
- National Skill Development Council (NSDC)
- Construction Sector Skill Council of India (CSDCI)
- Kerala Academy for Skills Excellence

AWARD-WINNING PERFORMANCE:

- Bentley Outstanding Training Partner
- Partner of Autodesk Fusion 360 Adoption in India
- Training Partner for Nan Muthalvan at Tamil Nadu Skill Development Council
- Technology Partner and Jury Member of Digital Construction at India Skills 2021 and India Skills 2024
- Team member for BIM Curriculum Development and Qualifications as per NSQF framework for NCVET and CSDCI

BIMLABS GLOBAL ECOSYSTEM

HOST OF NATIONAL CONFERENCES:

- India BIM Summit in 2019
- National Conference on Science and Technology in 2020
- Employability in Digital Construction in 2022

Leadership by BIMLABS Global Research Institute (BGRI): A synergy of technology expertise, academic excellence, and industry experience.

TAILOR-MADE SERVICES:

Addressing specific needs of various stakeholders, including graduates, diploma and technician level students, working professionals, academicians, engineering institutions, and corporate organizations.

Key Service Lines:

- ◆ BIM Training and Certification
- ◆ BIM Academic Integration
- ◆ BIM Project Consultancy
- ◆ BIM Implementation at Corporates
- ◆ BIM Resource Outsourcing
- ◆ BIM Recruitment Services

OUR PARTNERS

BIMLABS GLOBAL RESEARCH INSTITUTE

Fueling BIM excellence: the engine of BIMLABS global

BIMLABS global research institute plays a critical role in propelling BIMLABS Global's vision to become a leading provider of sustainable solutions for the AECO (architecture, engineering, construction, and operation) industry worldwide. It serves as the driving force behind all BIMLABS business units, ensuring the seamless execution of systems towards achieving operational excellence.

Key drivers of success:

- ◆ Innovation hub: The research & development team
- ◆ Standardized workflows: The project modules Development team
- ◆ Building skilled champions: The curriculum development team
- ◆ Investing in people: Team training & development team.
- ◆ Global recognition: The BIMLABS BIM certification team

- ◆ Strategic partnerships: ATC management team
- ◆ Connecting clients and services: The Techno-commercial team
- ◆ Delivering quality: Training programs management Team.
- ◆ Bridge to careers: internship & placement Team

BIMLABS global research institute serves as the brain and engine of BIMLABS global, driving innovation, fostering talent, and propelling the organization towards its vision of leading the AECO industry into a sustainable and digitally transformed future.

BIMLABS CERTIFIED BIM PROFESSIONAL

- ◆ One Year Post Graduate Diploma Program: Designed for students in Architecture, Civil, Mechanical, and Electrical Engineering
- ◆ Multiple Specializations: Includes live project training and internship opportunities
- ◆ 4-4-2-2 Learning Formula:
 - 4 months of Training
 - 4 months of Project Specialization
 - 2 months of Internship at BIMLABS Institute
 - 2 months of Internship at BIMLABS Studio
- ◆ Target Job Roles: BIM Modeler and BIM Engineer.
- ◆ Mandatory Internship: Includes a stipend and guaranteed interview opportunities.
- ◆ Globally Recognized Certifications: From BIMLABS Global, Autodesk, Bentley, and Trimble, with Credly Digital Badges
 - Introduction to BIM – Overview & Project Discussion
 - 2D CAD Documentation
 - BIM Process and Workflows
 - BIM for Architecture and Engineering design
 - BIM – Parametric Model Management
 - BIM - Information Management
 - Visualization with Revit
 - Construction & Coordination

BIMLABS CERTIFIED BIM PROFESSIONAL

◆ Key Modules

- Construction Management
- BIM Cloud Integration
- Facility Management in BIM
- Scan to BIM
- BIM Execution Plan
- BIM Live Project Experience
- Building a Career in BIM

Duration - 12 Months

**4 MONTHS INTERNSHIP
with Attractive Stipend**

BIMLABS CERTIFIED BIM MODELER

- ◆ Six Month Diploma Program: Designed for students in Architecture, Civil, Mechanical, and Electrical Engineering , Diploma and ITI.
- ◆ One Specialization from
 - Architecture
 - Interior Design
 - Structural
 - Infrastructure
 - MEP
- ◆ 4+ 2 Learning Formula:
 - 4 months of Training
 - 2 months of Internship at BIMLABS Studio
- ◆ Target Job Roles: BIM Modeler
- ◆ Internship at BIM Studio with guaranteed interview opportunities
- ◆ Globally Recognized Certifications: From BIMLABS Global, Autodesk, Bentley, and Trimble, with Credly Digital Badges

Follow [BIMLABS](#) social media pages to get weekly placement news with latest openings in BIM & CAD industry

PLACEMENT PARTNERS

BIMLABS CONSTRUCTION MANAGEMENT IN BIM

- ◆ 3 Month Diploma Program Tailored for students aspiring to pursue higher education abroad, this program aligns its course content with the BIM and digital construction modules found in master's programs at universities overseas
- ◆ Key Modules
 - Architecture Modelling, Documentation & Estimation
 - Construction Modelling & Visualization
 - Project Review & Clash Detection
 - 4D Simulation & Quantification
 - Project Management
 - Construction Management
 - Facility Management & COBie Integration
 - BIM Cloud Integration

Duration - 3 Months

BIMLABS CERTIFICATION PROGRAMS

- ◆ Specially Crafted Short Duration Certification Programs
- ◆ 30+ Predesigned Programs: Options available to customize your learning experience
- ◆ Flexible Duration: Programs range from 15 hours to 120 hours (2 months).
- ◆ Comprehensive Offerings: Separate programs for training, certification, internship, and placement assistance.
- ◆ Certifications: Provided by Autodesk, Bentley, and Trimble for their respective products
- ◆ Key Programs
 - BIM Modeling with Revit Architecture
 - BIM Modeling with Revit Structure
 - BIM Modeling with Revit MEP
 - Architectural Modeling with Sketch- Up & V Ray
 - Structural Detailing with Tekla
 - Project Management with Primavera
 - Project Management with MS- Project

BIMLABS CERTIFICATION PROGRAMS

- CAD Drafting & Documentation with AutoCAD
- CAD Drafting & Documentation with MicroStation
- Structural Design with STAAD Pro- Structural Design with ETABS
- Infrastructure Modeling with Civil 3D
- Infrastructure Modeling with Open Roads

◆ Key Programs

- Construction Management with Synchro
- Visual Programming with Dynamo
- Construction Management with Navisworks & ACC
- Product Design with Fusion 360- Product Design with Inventor
- Electrical Drafting with AutoCAD Electrical
- Visualization with 3DS Max & V Ray

INSTITUTE BUSINESS UNITS

Strategically located in key regions of Kerala, offering live instructor training and internships under the strict monitoring of the BIMLABS Global Research Institute (BGRI) for all BIMLABS Certified Long and Short Duration Programs. Faculties are certified by the BGRI team with the BIMLABS BIM Educator Program Certification, ensuring content is delivered through proper learning mechanisms.

Locations:

- ◆ **Kazhakkootam – Thiruvananthapuram**
2nd Floor, EK Complex, Main Road,
Kazhakkootam 695582
Ph : +91 9745 268 888
- ◆ **City Office – Thiruvananthapuram**
URRA No. 16, Uppalam Road, Statue,
Thiruvananthapuram, Kerala –695001
Ph : +91 7736 586 111
- ◆ **Ernakulam**
V One Plaza, Old Railway station Road,
Kacheripady, Kochi, Kerala, 682018
Ph : +91 9072 843 335
- ◆ **Kozhikode**
29/964-B&C, Handi Arcade, K.T. Gopalan Road,
Kuthiravattom P.O, Kottooli, Calicut – 673016
Ph : +91 9288 003 633

These strategically placed centers ensure accessibility and convenience for students across Kerala, facilitating high-quality education and hands-on training experiences.

ACADEMIC BUSINESS UNIT

A dedicated unit working in alignment with engineering institutions and skill development councils across the globe. Our mission is to integrate digital skills into academic curricula, transforming the student community into a sustainable, skilled workforce that can seamlessly join the professional community shortly after course completion.

SERVICES

- ◆ Summer Internship Programs
- ◆ Faculty Development Programs
- ◆ Short Term Certification Training
- ◆ Long Term Certification Training
- ◆ In-campus Training Centers
- ◆ Placement Support
- ◆ Final Year Project Assistance
- ◆ Centre of Excellence
- ◆ Campus Ambassador Program
- ◆ India Skills, World Skills Design Contests Assistance
- ◆ Design Challenges
- ◆ Technical Fests and BIM Summits

OUR CLIENTELE

CORPORATE BUSINESS UNIT

A dedicated team engaging with the corporate community to support growth in the architecture, engineering, construction, and operation industries. We serve both government and non-government organizations by offering a range of services, including:

- ◆ Corporate BIM Training
- ◆ BIM Implementation Services
- ◆ Capacity Building Services
- ◆ Recruitment Assistance
- ◆ Corporate BIM Workshops
- ◆ Software Resale and Integration
- ◆ Technical Team Evaluation
- ◆ Performance Improvement

Our comprehensive services are designed to enhance corporate capabilities and drive industry excellence.

BIMLABS CONTINUAL LEARNING PROGRAM- BCLP

The BIMLABS Continual Learning Program (BCLP) is designed to provide continuous professional development in the digital construction segment. Through various activities including daily 10-minute microlearning, participants gain access to the latest trends and innovations, enhancing their skills and knowledge. The program caters to students, working professionals, educators, organizations, and career changers in the AEC industry.

Program Features:

- ◆ Daily Microlearning: Engage in 10-minute activities that involve reading topic descriptions and completing quizzes to solidify understanding.
- ◆ Content Variety: Access diverse learning materials, including Project and Organizational Case Studies, technical activities, and webinars/seminars hosted by BIMLABS Global.
- ◆ Open Participation: The program welcomes individuals from various backgrounds, regardless of their current career stage.
- ◆ Rewards and Recognition: Earn BCLP Credit Points for completing activities and achieving high scores. Redeem points for valuable rewards like free training programs, certifications, and event tickets

TESTIMONIAL FROM EUROSIA, TECHNOPARK, TVM

12th of January 2023

To
The Chairman Officer
BIMLAB Engineering Research Park Ltd
Technopark, Technopolis,
TVM, Kerala, India

Sd/-, **Arth** (Signature)

We are writing to express our appreciation in regards to the excellent services that you provided to our organization.

We appreciate the valuable insights you provided during the various meetings and discussions, which have been instrumental in the success of our project.

We are confident that your support and expertise will continue to be a valuable asset to our organization.

Thanking you
for your continued support.

TESTIMONIAL FROM ARTH

Dear Sir/Ms,

I am writing this letter to express my sincere appreciation for your valuable contribution in helping us find interns from BIM Labs. Your support and assistance were invaluable to us throughout the hiring process.

Your dedication and hard work in connecting us with potential candidates from your university were instrumental in finding the right talent for our organization.

We are grateful for your professional and efficient approach in the entire process, which made our hiring experience smooth and hassle-free. The interns that we have hired through your efforts have brought great value to our organization, and we hope to continue this successful partnership in the future.

Once again, thank you for your exceptional work and commitment. Your assistance has been most instrumental in helping us find the right talent for our organization. We appreciate your efforts and look forward to working with you again.

Best Regards,

Arth (Signature)

TESTIMONIAL FROM TAAL TECH

Dear MV Inc,

This is in regard to the onboarding of CEGs from your training centre. We really appreciate the level of customer care you've provided throughout the learning and they look at your centre. In particular we found them to be good at **Health & Safety, Nutrition and Hydration**. Thank you so much for taking such care in the recruitment of these workers.

Yours & regards,

TESTIMONIAL FROM AXON TECHNOLOGIES

Dear BIMLABS,

On behalf of our management, please accept our appreciation for the excellent support in recruiting CEGs for us. Your staff have shown great passion over the past several months of the search and the professionalism of the employees is being noticed.

Thanks to your constant support with the hiring process, we are now seeing the result of this work.

I personally thank Sandra Mann and each member of the BIMLABS team.

Yours & regards,
Alexandra M. Hill

TESTIMONIAL FROM H & MV ENGINEERING

Hi BIMLABS Team,

I would like to express my appreciation formally and sincerely for the amazing work performed by MV, H&MV, Sanderson & McARTHUR who have been recruited from your institution.

Your staff has helped enabled them to be able to work on complex construction projects and helped with resolving our existing one.

On your 25th anniversary, we are proud to partner with BIMLABS and assisting them to support in providing constructive resources to their.

Yours & regards,
